# FREQUENTLY ASKED QUESTIONS

**Do I need to speak Spanish?** While knowing Spanish is helpful, it is not a requirement! We provide translators to ensure clear communication and meaningful connections.

- Is it safe?** Safety is our top priority. We stay in secure housing, travel in vetted transportation, and work alongside local leaders who know the community intimately.
- What is the age requirement?** Our trips are generally open to all ages, provided that they came with a parent or guardian. The parents or guardian of minors should contact us for specific trip suitability.
- Will I have access to Wi-Fi?** Most of our base camps have limited Wi-Fi. We encourage participants to "unplug" to fully immerse themselves in the experience, though emergency contact methods are always available.
